

The New Horizon School – End of Year Event

The New Horizon School end of the year event was a Pool Party, donated and hosted by the management team of Las Cañas in Sosua, led by the owner, Walter Van Geel. A special thanks to Walter and also to Charlene Davis who was instrumental in initiating the process.

This was a great way for one of our students, Manouchica Roger to celebrate her 14th Birthday. This was a surprise fun filled day, enjoyed by one and all.
